A diagram of a bus interior showing the layout of seats and equipment. At the top center is a circular icon representing a three-pointed star or a similar symbol. Below it is a dark blue rectangular area. To the left of this area is a white rectangular area. Below these are several rows of seats, each represented by a white rectangular area. The seats are arranged in a 2-2 configuration for the first three rows, and a 2-2-2 configuration for the last row. A dark blue rectangular area is also present on the left side of the bus, below the first white rectangular area.
